

A message from Mrs. Denham

A big thank you to: Kev, Dymond, Clive Perfect and Rob Broad for sorting out the drainage and laying the gravel. We will not now bring mud into school which Mr. Turner, our cleaner, will be very pleased about. Thank you.

Holywell website – e Schools

We hope you have enjoyed looking at our new website. We are trying to aim to keep these up to date with newsletters, news, trips and visits and dates. The website is mobile phone friendly so please access the website that way too.

We are sending out again letters today each family's unique login details for our eschools learning platform. You will only be able to see your own child's information.

The 2nd week after half term is parent conference week. This year we ask that you login on to e schools using your login information which is on the letter sent home today, and then book your parents conference online. We hope this process is fairly painless and should be quicker for you as parents and for teachers. If you have any problems please see your class teacher.

We really hope you can support us with this new venture!

Data Protection Sheets

In the envelope with your username and password for eschools you will find a data collection sheet for each of your children. Please can you check the information held and correct any discrepancies and fill in any blanks with the correct details. Once you have completed this could you please return them to the school office. Thank you.

Children arriving at school

Please can all children be in the playground ready to line up at 8:50 am. We need them in class and registered and ready to start work by 9 am. If you wish to see the class teacher about any concerns please arrange an appointment or arrive at school early to speak with them. On most days the teachers are available and in their classrooms by 8:30 am.

Lost iPod Touch – £20 reward

Gabriel has mislaid his iPod Touch which he had in school on Wednesday. If anyone finds it, could they please email Gabriel's Mum on antonialidder@hotmail.com.

School Council

It is time for our School Council elections! If you are interested in representing your class and the school throughout this year, then this could be the job for you. If you want to be the child voice of Holywell that can make change happen, this is the job for you!

We are looking for:

Two representatives from each class: Robins, Hedgehogs, Foxes and Squirrels

Year 6: Chairperson, vice chair person

Year 5 and 6: two secretaries, two events organisers.

If you are interested in standing for any of these positions you must create a campaign poster that you can share with your class by next Friday (no poster, no position). A vote will then be taken and the new school council will be formed!

Community News

Wrap around service; Breakfast Club and After School Club. For many years we have offered wrap around care exclusive to Holywell and we are proud to have strong links with your fantastic school. To ensure the service is viable we need to be sure of high level of demand to meet increasing costs of running the nursery and additional services.

Many families at other primary schools have asked us to consider drop/collection at their schools and, should numbers remain low at Holywell we are looking at the logistics of their requests.

We are offering our breakfast and afterschool to Holywell parents before other schools and these places are on a first come first served basis. Katie loves her daily trips to Tawstock!
