

Let your light shine

20th June, 2017

Dear Parents,

In September if you fulfill certain requirements you may qualify to access 30hrs childcare funding for your 3 to 4 year old.

To access this you **MUST** register on the Gov.uk website. If you wish to access the additional 15 hours for the autumn term you **MUST** register before the 31st August, 2017.

Search - 30hrs childcare entitlement

This will take you to the pages where you will be able read the entitlement qualification and register.

Once you have registered, you will receive a number, which you must bring into the office for our use. Unless you do this the loop will not be complete and the extra 15 hours will not apply.

We have attached some information about this from the Department of Education but please contact Mrs. Palmer, in the office for further details.

Kind regards

Elaine Palmer
